

29. Joseph's Dreams Questions

Genesis 37:1-10, Psalm 25, Matthew 7:6

[Have you studied the online Facilitator Training Session? It can be found on the website as a [downloadable and online](#) video file.]

These questions are designed to guide the presenter of this video in ministering to the children after the video was presented to them. The idea is to

- test how they have listened,
- re-emphasize important truths to solidify it in their minds and spirits, and
- create a foundation for the Holy Spirit to minister to them through the presenter as the facilitator.

Feel therefore free to make use of this opportunity to speak into the children's lives on the topic the video has highlighted.
